

CLEAN EXPRESS Systems

Wg, Inc.

CE-2000

CE-3000

Two CE Models

The CE-2000 and CE-3000 reflect years of experience and customer feedback. These units are powerful and use minimal floor space especially with the roll-in door. Important features such as oil skimming, water level controls, digital temp read-out, etc., are standard.

Roll-Away Door

One of the hallmark features of the CE parts washers is the roll-away door, which saves floor space. The doors are center supported and don't suffer from the drag problems experienced by doors with outside rollers...hence the *Lifetime Guarantee*. Two other advantages are: a) if a large part should ever tip over and prevent the door from opening, you don't have to burn a hole in the door...simply unbolt the roof, and b) the door latches automatically.

LIFETIME GUARANTEES

Lifetime Guarantee against any welds cracking or leaking.

Lifetime Guarantee on the turntable and its sealed bearing assembly.

Lifetime Guarantee against the door ever jamming.

CLEAN EXPRESS Systems

Standard Features

- Automatic Oil Skimmer
- Low Water Warning and Shut-Down
- Automatic Water Fill
- Over-Full Warning and Shut-Down
- Turntable Rotation Sensor/Jam Protection
- 24 Hr / 7 Day Heat Timer
- Digital Temp Control and Read-Out
