

Intergrated Reclaim System

Model ECIN

Available in 3 models: 1000, 2000 & 3000 PSI

Stainless steel booth is an available option!

Hydrobooth Fully backlit with easy to use adjustable screen holder and screen holding trough, stainless steel sink pan. The Hydrobooth is designed for effortless screen reclaiming.

Control Panel: A three position switch turns on lights, filtration system and Pressure Washer.

The Filtration System and Pressure Washer

Both are integrated on a slide out tray that gives instant access for filter and pump service.

A SIMPLE SYSTEM:

Hook up garden hose, hook up hose to drain, and plug ECIN into power. Factory tested, wired, and pre-plumbed.
